All Applicants

Missing deadlines or failure to provide required information may cause your application to be rejected and/or may result in the loss of scholarship for future years. The scholarship offered by The Showmen's League of America is paid directly to the college or university, not to the student. The scholarship may be used for the tuition, books, supplies and/or lab fees of the student and shall be distributed to the student in accordance with school policy. In the event that any funds are unused, these amounts must be returned to The Showmen's League of America.

The scholarships are based on superior academic skills with consideration given to test scores, scholastic performance and high school recommendations. Student's extracurricular activities and involvement in the industry will also be considered. The scholarships are awarded on the basis of the student's own merit, academic accomplishments, character and commitment. Financial need and family situations are not factors in these awards.

Scholarship and membership applications may be obtained from the office of The Showmen's League of America, 1023 W. Fulton Market, Chicago, IL 60607 at any time and **MUST BE SUBMITTED** to this office by mail, fax, or email no later than December 31st, 2016.
